

**Preliminary
Announcement**

29 - 30 July 2025 | Berjaya Times Square Hotel, Kuala Lumpur

40th

Annual Scientific Conference

Advancing Nutrition for a Healthier Malaysia: Bridging Science, Policy, and Practice

About the conference:

This year's conference theme: "Advancing Nutrition for a Healthier Malaysia: Bridging Science, Policy, and Practice" emphasises the integration of scientific research, evidence-based policy-making, and practical interventions to improve the nutritional status and overall health of Malaysians. It underscores the importance of collaboration among researchers, policymakers, and practitioners to address contemporary nutrition challenges and foster a healthier future for the nation.

Tentative Plenary Lectures/Symposia/ Topics:

- Public health nutrition
- Planetary health and nutrition
- Nutrition in the Life Cycle
- Nutrition education & communication strategies
- Nutrition, technology and digital health
- Physical activity & sedentary behaviour
- Functional ingredients
